

Equipment list for volunteers

Equipment List for weekend bait station filling/emptying:

- Good tramping boots
- Warm clothes and hat
- Wet weather gear
- 50lt pack if possible, otherwise the largest one you have
- Food and drink for a full day's tramp
- Small pair of pliers for opening bait stations (optional)

Recommended:

- Head torch and gaiters
- GPS if you have one (no mobile phone coverage at Okahukura)
- Some spare food and spare warm clothing to be carried (eg light polar fleece trousers and a spare good thermal top) in case of emergency
- Personal medication for allergies eg stings
- Sleeping bag, pillow
- Toilet gear and towel

We will provide:

- Gloves
- Face masks
- First aid kits
- Hi-Viz vest
- Compass
- Personal Locator Beacon for team use
- Emergency blanket
- Whistle
- Map of operational area and specific bait lines

You are welcome to bring any of these items if you have your own.

We are also planning to have cold drinks and nibbles available at base on return.

For accommodation, the following are needed:

- Sleeping bag
- Pillow
- Towel and personal toilet gear
- Some spare plastic bags for wet and dirty gear
- Food for breakfast, lunch, and evening meals (we will provide tea, coffee, milk, milo, sugar)
